

SSW Link Auditor

Automate Your Link Validation with SSW Link Auditor

Are you finding it impossible to manage links on your ever growing website? A common problem companies face is maintaining links over ever growing web sites. **SSW Link Auditor** is a simple and powerful solution to the problem. This fast and effective utility keeps your website up to date, and helps to resolve intricate linking and referencing issues. An added benefit you get is an increase in Google Page Rank for your pages.

“Instead of waiting for users to report broken links, SSW Link Auditor has saved us a lot of embarrassment and trouble by reporting all broken links to us.”

Chanh Dieu - Sydney, Australia

**SSW Consulting with
PR Manager, Sophie Belle**

"SSW can transform your business capabilities through its knowledge and experience of Microsoft's market-leading technologies."

SSW is a Sydney-based consulting company specializing in .NET solutions for progressive businesses since 1990. SSW offers custom software solutions, from IT infrastructure setup and developer utilities to custom-designed software applications, utilizing the latest Microsoft technologies including ASP.NET, VB.NET, C#, SQL Server, XML, Exchange Server and SharePoint Portal Server.

Adam Cogan is SSW's Chief Architect. His position as one of only two Australian Microsoft Regional Directors helps SSW deliver cutting edge Microsoft technology solutions.

SSW's unique eXtreme Programming Development Methodology ensures you get value for money at every stage of the development life cycle, underpinning SSW's belief that software solutions must deliver business advantages from the very first step.

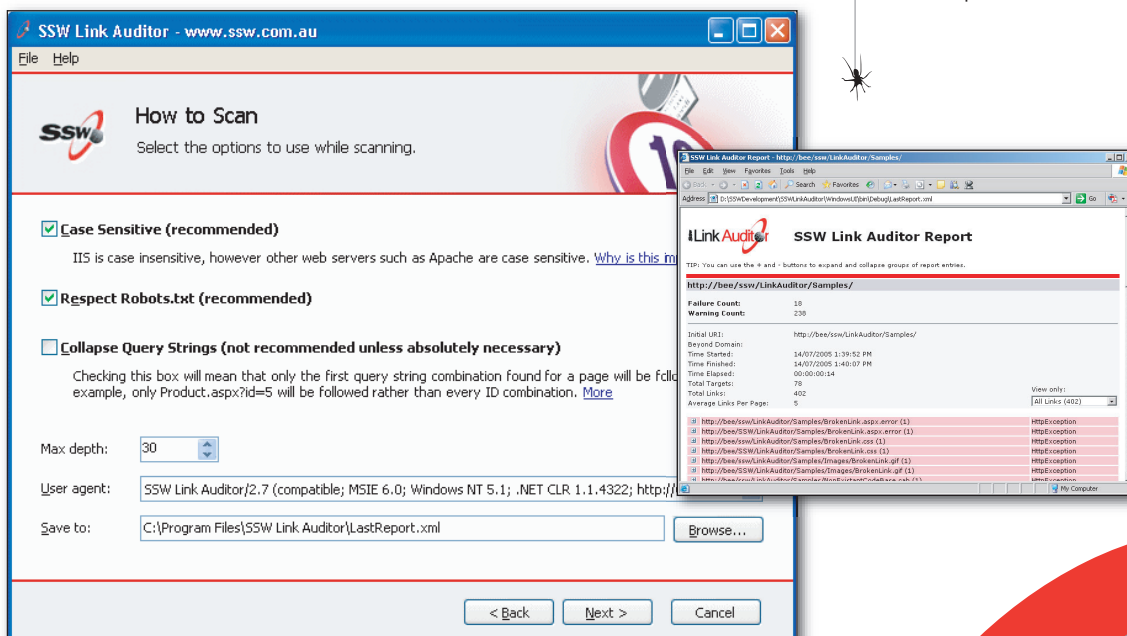

Figure: SSW Link Auditor automatically locates broken links and improves your Google Page Rank.
