

# SSW AccessReporter.NET

**Deliver Access Reports online with  
Access Reporter .NET for IIS**

**Delivering important reports on the  
web can be expensive and time consuming,  
especially when you're faced with the task  
of converting existing reports.**

**Save yourself the hassle and plug in  
SSW Access Reporter .NET for IIS to deliver  
your existing Microsoft Access reports online.  
Check out the online demo.**

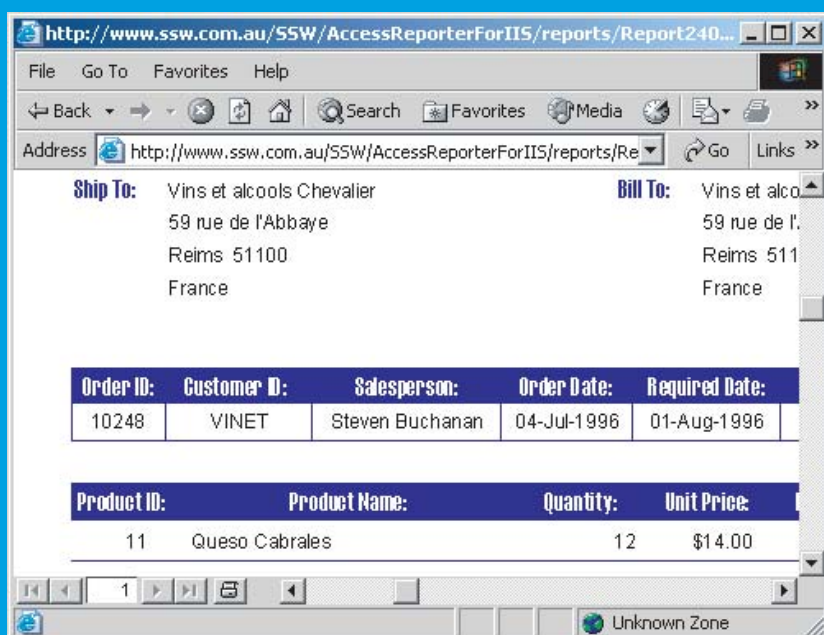

**Superior Software for Windows can transform  
your business capabilities through its  
knowledge and experience of Microsoft's  
market-leading technologies.**

**From IT Infrastructure setup and developer  
utilities to custom-designed software  
applications, SSW solutions utilise the latest  
Microsoft technologies, including the .NET  
Framework, ASP.NET, VB.NET, Access, SQL  
Server, XML, Exchange Server and SharePoint  
Portal Server.**

**SSW's unique eXtreme Programming  
Development Methodology ensures you get  
value for money at every stage of the  
Development Life Cycle, underpinning SSW's  
belief that software solutions must deliver  
business advantages from the very first step.**

***"Finally an alternative to Crystal Reports! The  
SSW Access Reporter saved us thousands in  
license fees"***

***Tony Stefanou - Canberra Australia***
